Commemorative Event for the 10th Anniversary of the Business Club

www.CLUBLABO.com International

1. Context and Rationale

Officially launched on November 12, 2016, the business club **CLUBLABO International**—whose acronym **L.A.B.O** stands for **Leadership And Business Organisation**—has distinguished itself over the past decade as a professional organization for networking, training, mentoring, and acceleration for leaders, entrepreneurs, investors, and business professionals.

Throughout its first decade, **www.CLUBLABO.net** International has demonstrated remarkable resilience in the face of global economic shifts. The tenth (10th) anniversary of the business club represents a decisive historical milestone. It is not merely a celebration of an accomplished journey, but above all marks the transition toward a new era of **global expansion**, strengthened institutionalization, and the realization of high-impact social and economic industrial and commercial projects. This commemorative event will serve as an international showcase to highlight the entrepreneurial ecosystem developed by CLUBLABO International, while precisely establishing the strategic roadmap for the next ten years.

2. Event Objectives

The 10th Anniversary Commemorative Summit of the business club www.CLUBLABO.com International is structured around ambitious goals designed to maximize economic and strategic benefits for all participants and partners.

General Objective: Celebrate a decade of actively promoting exemplary leadership and eco-responsible business, while strengthening economic, institutional, and entrepreneurial synergies on an international scale.

Specific Objectives:

- **Strategic Mobilization:** Bring together more than 300 opinion leaders, corporate executives, investors, government authorities, and representatives of international institutions around a strategic direction summit.
- **Capitalization and Value Creation:** Highlight 10 years of success by presenting impact reports, case studies, high-level thematic panels, and presenting honorary awards.
- **Business Facilitation:** Create a structured environment conducive to negotiations, high-value B2B networking, and the signing of commercial and investment partnership agreements.

3. Format and Key Activities

The event will follow a hybrid format combining strategic deliberations, intensive business meetings, and a prestigious celebration.

- **Inspirational Keynotes & High-Level Panels:** Inaugural addresses delivered by iconic figures in the business world and internationally renowned experts.
- **Exhibition Trade Fair & Discovery Zone:** An exhibition space allowing member companies and sponsors to present their products and/or services to a multidisciplinary audience.
- **Prestigious Gala & CLUBLABO Awards Ceremony:** The official CLUBLABO Awards ceremony designed to honor and reward the most prominent figures in the network, emerging entrepreneurs, and institutional partners who have supported the club's vision during its first decade.

4. Expected Results

Hosting this major event is expected to yield measurable and lasting impacts:

- **Visibility and Reach:** Extensive media and institutional coverage for CLUBLABO International as well as its partners and sponsors, reinforcing their positioning as key players in the economic ecosystem.
- **Network Growth and Development:** A renewed and consolidated commitment from long-standing members of the organization, combined with the strategic onboarding of new leaders and high-potential enterprises.
- **Strategic Impact:** The publication and distribution of the 10th Anniversary White Paper, summarizing the resolutions of the summit and outlining the strategic guidelines for CLUBLABO International for the period 2026–2036.

5. Target Audience and Participant Profile

CLUBLABO International plans to welcome between 300 and 320 carefully selected participants to ensure the quality of discussions and the realization of strategic partnerships. The audience will consist of:

- **Founders and Corporate Executives:** CEOs, managing directors, and successful entrepreneurs from diverse business sectors.
- **Administrative Authorities and Public Decision-Makers:** Ministerial representatives, heads of national agencies, and institutional decision-makers.
- **Investors and Financial Players:** Venture capital representatives, investment banks, private investors (Business Angels), and microfinance institutions.
- **International Experts and Consultants:** Specialists in strategic management, business law, corporate finance, and organizational development.
- **Diplomatic Representatives and International Organizations:** Ambassadors, commercial attachés, and project officers from international organizations promoting economic development.
- **Media and Opinion Leaders:** Financial journalists, B2B influencers, and international press representatives.
